WELCOME to all our visitors. Coffee will be served in the Exmouth after the 11.00 am Mass and in Budleigh after the 9.00 am Mass. You are very welcome to join us. **Children's liturgy** during the 11.00 Mass now focuses on our youngest children. I am asking that children in Year 4 and above remain in church during the Mass so that the little ones' needs may be met more appropriately. The front right-hand pews are reserved for those staying in church with their families, and Mass books have been provided to help them understand and learn about the Mass. **Those not receiving Holy Communion during Mass are warmly invited to come forward for a blessing.**

This year our Advent Appeal will be for the new Deaf Academy

Why not try to cut down on Christmas cards this year I invite you to write your message to family & friends in the parish on our tree tags instead and hang it on our Christmas tree. Saves time, saves postage, saves resources and therefore we will be giving out free festive tags on the weekend of Christ the King, 23rd & 24th November. Take a label, personalise it and hang it on the tree in church. At the same time please return your donation to support the new Deaf Academy. Whilst helping the children you can also do your little bit to save the planet.

ADVENT APPEAL 2019

This year our Advent Appeal is for the new Deaf Academy

'The New Deaf Academy in Exmouth has been designed by Deaf people for Deaf people. It will deliver world-class education and residential care facilities that our inspiring students deserve. Our community appeal aims to raise £250,000 to make this happen.

Imagine the feeling of isolation when you can't find a way to communicate with anyone. Not even your parents. You can't understand what they are saying or make yourself heard. For many Deaf children this is an everyday reality.

We are a charity that gives isolated children the gift of language. We pride ourselves in teaching our visual learners a rich curriculum in both British Sign Language and English, but crumbling, outdated buildings limit the difference we can make for our Deaf young people'

'Caring for ecosystems demands far sightedness, since no one looking for quick and easy profit is truly interested in their preservation but the cost of the damage caused by such selfish lack of concern is much greater than the economic benefits to be obtained'
