THANK YOU FOR YOUR MONTHLY OFFERINGS and for your continued generosity to the parish. Many of you know that we are currently not encouraged to count and bank cash donations so the most efficient way for you to give is by standing order. Most of you have now started using this method and we are incredibly grateful. It saves us time and eliminates the need to count cash and make journeys to the bank in these difficult times and it's a coronavirus free transaction!! Mandate forms are available by emailing the parish office. Thank you!

Day for Life 16 June 2024

The Church teaches that life is to be nurtured from conception to natural death. In England and Wales, *Day for Life* is celebrated on the third Sunday of June each year. This year it falls on 16 June. The theme will focus on Assisted Suicide.

The assisted suicide debate has been in the headlines in recent months with views being expressed, especially by celebrities, that are very different from the Catholic view that life is a gift and that we are called to care for others at the end of their lives.

Day for Life is marked on the same day by the three Bishops' Conferences of England and Wales, Scotland, and Ireland.

CIVIS ROMANUS SUM

I AM A ROMAN CITIZEN ACTS 22:28

***PARISH PILGRIMAGE
FOLLOWING PAUL TO ROME***
APRIL 2024

You are invited to share extracts from the reviews of the Antioch, Ephesus and Corinth Pilgrim Groups.....

'We enjoyed a slightly different Pilgrimage this time visiting the amazing city of Rome. Half the world seemed to have arrived at the same time as us so everywhere was very busy and there were so many places to visit and experience - hence getting around was quite challenging at times!'

The highlight for us was visiting the Vatican and being in the presence of Pope Francis on two occasions! Firstly, on the Wednesday for the Papal Audience and then on the Sunday for the Papal address which was very special indeed. Many of us climbed to the top of the dome (the hundreds of spiral steps were an experience never to be forgotten) where the wonderful views were a sight to behold. Added to this was the great privilege to celebrate Mass said by Father Philip in the Chapel of Our Lady of Childbirth in the Vatican grottoes. An unforgettable experience.

Many pilgrims visited Malta and Gozo last year and were happy to be completing their journey in the footsteps of St Paul.

We visited the excavated house where it is said he was imprisoned for two years – it seemed very grim but apparently he was visited by many Christians who brought him food etc and he carried out baptisms in the well which is still there. A Church was built over the top – the Santa Maria which we were also able to visit. The following day we visited the place of St Paul's brutal execution Tre Fontane where again a church has been built. Ironically, in view of the history, it was a place of great reverence and tranquility - in fact the whole site had a great sense of calm and peacefulness.

On our final day we visited St Paul's final resting place San Paolo fuori le Mura where we were given an excellent and informative tour of the huge basilica by seminarian Graham who was a pleasure to listen to. It was also interesting to see the portraits of every Pope to this day all around the inside of the building.

We were welcomed by the Suore Teatine at the very nice convent Casa Mater Ecclesiae which, although situated on a hill, was only ten minutes' walk from the Vatican - very convenient! We had some meals out together as a group which were very enjoyable and some people would have liked more of these as it is a good way to get to know other pilgrims on the trip. Everyone appreciated the hard work gone into organising the pilgrimage and want to pass on their thanks to Father Philip'

'The highlight of the trip for us was the final day. Following a very early start we all took the short walk to the Vatican where Fr Philip said Mass for our group in a small Chapel underground surrounded by the tombs of past Popes. We then left the group to visit the Lateran Basilica as it was one of the main four in Rome. After a quick lunch we rejoined the group and headed outside of Rome to St Paul's Basilica where we had a very interesting, guided tour including the tomb of St Paul. The day ended with 'our last supper' where we all had pizza in a lively Italian restaurant. All in all, an exhausting but rewarding time... and so lovely to see the pope in St Peter's Square'

'It's always difficult to identify an individual moment or place that makes a parish pilgrimage special. Each pilgrimage offers so many positive and often different experiences and surprises. Rome in 2024 was no different as it provided us with time and places to "wander and wonder" collectively as a group expertly led by Father Philip, in small groups

and sometimes alone. A city packed with places of religious and historical significance, and it seemed a magnificent church hidden behind a plain door on almost every other street.

Being able to feel so close to the saints, especially St Paul, who we had followed here from Malta, and St Peter, whose basilica felt really special to us as we entered early in the morning for our own Mass down in the Chapel of Our Lady of Childbirth in the crypt, and then to wander past the tombs of past Pope's in the Grotto. To also share the company of our "Papa" in St Peters square with thousands of others at his weekly audience and at his Sunday address was memorable to all and he gave us plenty to reflect

upon in both what he said and how he said it.

We followed Paul from the excavated first century apartment in central Rome where he was held under house arrest to Tre Fontane, the oasis in the suburbs that was the place built at the site of his execution - where we were told his head bounced 3 times causing three fountains to spring from the ground. Now a Cistercian abbey it was perfect for contemplation hidden away from the hubbub of the busy Rome streets.

The wonderful visit to St Paul's outside the walls on Monday was the final piece of the puzzle in St Pauls life. A great tour and commentary from Graham, an inspirational American seminarian priest, was interesting, thought provoking and appreciated by all - the perfect finale.

Similarly, our fellow pilgrims and the local people we met were constantly stimulating our personal reflections throughout the week.

Good food, great company, inspirational places and plenty to think about, so what's not to like for a pilgrim when even the queuing provided a chance to get to know someone else or yourself a little better? Even the convent breakfast rolls were edible...

Thank you for Father Philip's excellent planning – it was a great pilgrimage'.

Please vacate promptly. Thank you for helping us keep you safe

Thank you to the group of parishioners that come to clean our churches. They will be back again in Holy Ghost on Wednesday **1st May** after the morning mass. Do please come along and join them.

The Finance Committee would like to thank you for your support of our parish through your monthly donations. If you give regularly by bankers order, please can you consider increasing your donation - at the moment our income from monthly donations does not cover our outgoings and just a small increase from everyone would make a huge difference to meeting our costs. If you are a taxpayer, please speak to Wendy Davis who will be happy to explain how your donation can be boosted, at absolutely no extra cost to yourselves. Thank you for your support.

The price of votive candles, like everything else, has increased - please help us by operating a 'credit system' for your donations, to eliminate coin-counting. May we suggest a minimum £5 note for 6 months (30 candles) or £10 note for 12 months (60 candles). **THANK YOU**

As Parish, the safety of our children is paramount. Please accompany your children at all times. Sad though it may seem to have to point out, there could be dangers when children are left unsupervised in the parish grounds. Sad though it seems to have to draw attention to this, there is not only the risk of a traffic accident if a youngster were to run into the road but we must also be aware that there are individuals who do not have the wellbeing of children as a priority.

Proud to be the Pope's charity for world mission

Missio ignites God's love by helping local missionaries to work alongside global communities that are poor or in need, regardless of their background or belief.

Sometimes this need might be very specific: a motorbike for a Priest to celebrate Mass in remote villages; a simple community hall so people can gather together; vaccinations to protect vulnerable children. Whatever our missionaries need to help them share the joy of the Gospel, Missio strives to provide it.

- *By supporting Missio, you play a vital part in creating a vibrant Catholic Church for the future.*
- *By volunteering, raising or donating funds, and by praying, YOU make our mission possible.*
- *Together we are enriching today's global Catholic community.*
- *Together we are training tomorrow's generation of Priests and Sisters.*
- *Together we are giving hope to the world's poorest children.*
- *Together we are Missio.*

Your prayers and financial gifts will help them to train more missionaries and to reach out to the poorest and most marginalised people on our planet, sharing with them the good news of the Gospel and uplifting their lives through education, health work and development projects. **Thank you**

CARITAS DIOCESE OF PLYMOUTH

MAY 2024

FIFTH ANNIVERSARY NEWSLETTER

This edition celebrates the work of Caritas Diocese of Plymouth since its launch in 2018.

A message from Canon John Deeny

This significant anniversary is an opportunity for us to take stock of where we have come from, how things have developed, and how we are reaching out to those in need. We are very thankful, that we have moved from very humble beginnings in 2018 to having an excellent Caritas Plymouth team, reaching across the diocese, working with parishes, schools, charities and individuals in following the Lord's command to 'love one another as I have loved you.'

As well as looking backwards in thanksgiving, an anniversary provides the opportunity to look forward with faith. The needs are great and growing. As a Church, we are ready and willing to respond. The Jubilee Year Pope Francis has declared for 2025, provides great incentive. The motto for the Jubilee Year is Pilgrims of Hope. Its logo shows four stylized figures, representing all of humanity, coming together from the four corners of the earth on pilgrimage. They embrace each other to indicate the

solidarity and fraternity which should unite all peoples. The figure at the front is holding onto the cross. It is not only the sign of the faith which this lead figure embraces, but also of hope. The symbol of the Cross is also at the heart of the Caritas Logo. In Caritas Plymouth our Christian faith remains at the heart of everything we do.

We look back with thanks for the Lord's blessings over the past 5 years, and for all who have helped; we also journey forward with great hope, embracing the cross of Christ, committed to the words of St Paul: "Bear one another's burdens, and thereby fulfil the law of Christ." Galatians 6:2

This newsletter shares some of the highlights of our work over the last five years. We are hugely grateful to everyone who supports our work. Canon Paul Cummins has recorded a video message to share his reflections on the work of Caritas in our Diocese.

MAKE A WILL, MAKE A DIFFERENCE – IT'S A GOOD IDEA !

Provide security for you, your loved ones and the children of the future

CCSP WILLS WEEK – w/c 17 June 2024

We have teamed up with Tozers Solicitors, who have three offices in Exeter, Newton Abbot and Teignmouth as they have a long history of being legal advisers to the CCSP and to the Diocese of Plymouth.

- Writing a will may seem complicated but it doesn't have to be, and it is vitally important because it makes our relatives' grief journey a little easier to navigate when we are gone
- Making a will can be costly but if you need to make one, or need to make an adjustment to an old will, please join in our Wills Week
- You will benefit from the expertise of Tozer's free of charge – we just ask you to make a donation to CCSP as a thank you
- Perhaps you could include a legacy for CCSP which doesn't have to be a large sum of money. A gift in a will, however large or small, plays an important part in continuing the work of our charity

To request more information, or to book an appointment to make a simple will with a member of the team from Tozers in one of their offices, please email enquiries@tozers.co.uk or call **01392 207020**. Please allow up to 5 working days for a response.

Caritas Diocese of Plymouth invites you to a Zoom event Thursday 13th June at 6-7pm to reflect on Refugee Week.

'I was a stranger and you welcomed me' Matthew 25:35

Pope Francis calls on us to WELCOME, PROTECT, PROMOTE and INTEGRATE people fleeing from conflict and persecution.

We invite you to a Zoom event on Thursday 13th June at 6pm to reflect and explore what this can mean in practice, hearing from someone who has been through the asylum system, sustained and supported by her Catholic faith, and from people who have answered the call to help and support in different ways. We all have our part to play to enable people seeking asylum to live with dignity as their claims are decided. We all have the opportunity to make a positive difference: from the power of prayer, to the warmth of a welcome, to practical support, to donations, to supporting campaigns, to short-term hosting, together we can improve the lives of people forced to flee danger.

The theme of Refugee Week 2024 is *Our Home*.

Please join us to reflect upon how we can make our churches and parishes a place of welcome and support for those forced to leave their homes in search of peace and freedom. Please click the link to register <https://forms.office.com/e/18ddAqE40F> or email caritas@prcdtr.org.uk
