ARE YOU GOING INTO HOSPITAL? *The Hospital Chaplaincy telephone number: 01392 402024. A message can always be left there. The Blessed Sacrament Presbytery number can also be used: 01392 274724. It is now more difficult for members of the clergy to request information regarding your stay in hospital, including which Ward you are in. This is now regarded as confidential information and will not readily be supplied to any caller without the specific permission of the patient. If you are admitted to hospital and would like a member of The Chaplaincy Team to visit you –*

DO *Please inform the Chaplaincy Department which ward you expect to be on and when you will be there, if you know in advance that you are going into hospital. Specifically inform a member of the ward staff that you would like to be visited by a chaplain ensuring that you state which denomination you belong to. Inform your relatives about your wishes concerning visits from a chaplain if you are taken into hospital unexpectedly. Your relatives can then notify the Chaplaincy Department*

DON'T.... *Just presume that the chaplains will hear about your stay in hospital – they probably won't. DON'T expect ward staff automatically to let the chaplains know you are in hospital.*

An invitation to survivors _ We have two survivor groups in the diocese that have now been running for over a year, which provide an opportunity for anyone with lived experience of abuse to share their thoughts and ideas about survivor support work in our diocese. We are grateful to all those who so generously give of their time to attend these meetings. The diocese would welcome the opportunity to hear from others who have a lived experience of abuse, so that we can involve them in the work we are doing to support survivors. If you would like to help us with this work, or you would like to find out more, please contact: Sophie Scagell (Survivor Support Caseworker) on 01364 645436 / sophie.scagell@prcdtr.org.uk

Diocese of Plymouth, Youth Events

Following the most recent instructions from the Diocesan Safeguarding Team and in line with the CSSA 'Creating a Safer Environment', entry to the Sacristy from the Church must be recorded. In our situation, only liturgical ministers and servers have the right of access and regrettably, passage to the Presbytery via the Sacristy is no longer available to anyone else, when there are servers present.

Health & Safety Notice When you are in church, or on parish premises, please make sure that you are aware of the exits. In the unlikely event of having to vacate the church unexpectedly, during a service, please follow the instructions of the priest and our stewards. They will direct you to the nearest exit. Please vacate promptly. Thank you for helping us keep you safe

As a Parish, the safety of our children is paramount. Please accompany your children at all times. Sad though it may seem to have to point out, there could be dangers when children are left unsupervised in the parish grounds. Sad though it seems to have to draw attention to this, there is not only the risk of a traffic accident if a youngster were to run into the road but we must also be aware that there are individuals who do not have the wellbeing of children as a priority.

Thank you for your support of our parish through your monthly donations. If you give regularly by bankers order, please can you consider increasing your donation - at the moment our income from monthly donations does not cover our outgoings and just a small increase from everyone would make a huge difference to meeting our costs. If you are a taxpayer, please speak to Wendy Davis who will be happy to explain how your donation can be boosted, at absolutely no extra cost to yourselves. If you would like a copy of the end of year accounts please contact the parish office. Thank you for your support.
